# 1. Policy Context

## Introduction

Our churches have similar ethos, expressed in the following statements:

St. Paul's aims to be an "Open Church" in our Christian faith and practice:

- Open to questions of faith & doubt, lifestyle, justice and peace
- Open to people of all backgrounds
- Open above all, to the ultimate mystery we call God and to the life & teaching of Jesus

Our congregation includes: old and young; single and married; gay and straight; waged and unwaged; students; people from a range of differing church, cultural and ethnic backgrounds.

At Cotham Church we aspire to cherish all, regardless of marital and social status, sexual orientation or level of Church commitment.

## **2. Policy Statement**

It is the responsibility of all members of the Benefice to give paramount importance to the nurture and care of children, young people and vulnerable adults in a safe and secure environment. It is about preventing harm to children and adults wherever possible.

### **We recognise that:**

- The welfare of the child, young person or vulnerable adult is paramount.
- Everyone has different levels of vulnerability and each of us may be regarded as vulnerable at some time in our lives
- All children, young people and adults who may be vulnerable (regardless of age, disability, gender, marriage and civil partnership, pregnancy, maternity, race, religion or belief, sex or sexual orientation) have the right to equal protection from all types of harm or abuse which can occur in all families and communities.
- Working in partnership with children, young people, vulnerable adults and their parents, carers and other agencies is essential in promoting their welfare.

### **We will develop a culture in our church that:**

- Enables a safe and caring community to provide a loving environment where there is a culture of 'informed vigilance' as to the dangers of abuse.
- Enables and encourages concerns to be raised and responded to openly and consistently and protects children, young people and adults who may be vulnerable from actual or potential harm.
- Ensures all people feel welcomed, respected and safe from abuse.
- Values, listens to and respects children, young people and adults who may be vulnerable, encouraging them to be active contributors to the church community.
- Encourages adults who may be vulnerable to lead as independent a life as possible.

### **When concerns are raised we will:**

- Respond without delay to every concern raised that a child, young person or vulnerable adult may have been harmed, or may be at risk of harm, through abuse or neglect.
- Work with police, local authority and other partners in any investigation, including where allegations are made against a member of the Church community.
- Challenge any abuse of power, especially by anyone in a position of trust.

**If abuse has occurred we will ensure:**

- Informed and appropriate pastoral care is offered to any child, young person or adult who has suffered abuse, including support to make a complaint if so desired.
- Supervision is provided for any member of the Church Community known to pose a risk of harm to others.
- Appropriate pastoral care is provided to any member of our church against whom an allegation is made.

**In all recruitment we will:**

- Carefully select those with any responsibility within the Church (including voluntary workers) in line with the Church of England Safer Recruitment Practice Guidance 2015 (See Benefice Safer Recruitment Guidelines) and provide ongoing supervision, support and training.

**In our publicity we will:**

- Share information about good safeguarding practice with children, young people and vulnerable adults, their parents, carers and all those working and worshipping with them.

### **3. Who is a child, young person, adult who may be vulnerable?**

**Children and young people:** for the purposes of this policy means anyone under the age of 18 years. Children and young people may be abused by an adult or child, male or female. It is far more common for a child or young person to be abused by a person known to them than by a stranger. This could be a parent, family member, friend, teacher, minister or anyone else. Children may be abused in person or via electronic media, they may experience harm as a result of seeing or hearing the abuse of others.

Where conflicts of interest arise between the welfare of the child and that of adults, the child's wellbeing must always be of paramount importance and priority.

**Adults who may be vulnerable:** The Care Act 2014 defines an adult to whom statutory safeguarding duties apply as an adult who:

*Has needs for care and support (whether or not the Local Authority is meeting any of these needs)*

*Is experiencing, or at risk of abuse or neglect*

*As a result of those care and support needs is unable to protect themselves from either the risk of or the experience of abuse or neglect.*

(Care and Support Statutory Guidance 2016)

The definition may apply to anyone over the age of 18 who may not be able to protect themselves from abuse, harm or exploitation, which may be by reason of illness, physical, sensory or learning disability or impairment, mental illness, use of drugs or alcohol. Increased vulnerability may be temporary or permanent and may be visible or invisible.

Policy Date: June 2017  
 Version Number: 1  
 Due for review: June 2018

An adult may be abused or neglected by family (including spouses, parents and children), friends, carers (paid and unpaid), strangers and professionals and members of the community. Those at risk may live alone or may live with family or in a care setting e.g. residential home.

#### 4. What is abuse and neglect?

Please see the table attached as Appendix 2 This outlines the forms of abuse noted in legislation related to safeguarding children, young people and adults alongside some examples and potential indicators that abuse or neglect may be occurring.

#### 5. What to do if you are concerned that abuse or neglect may be happening

You may see or hear something of concern or someone may tell you something of concern (a disclosure). If a child, young person or adult tells you that they have experienced abuse, are experiencing abuse or are concerned that they may be at risk:

Do	Don't
Listen. Try to move to a quiet space if possible or walk with the person as this helps them to talk	Tell them to speak to someone else
Let the person talk at their own pace and say what they want to say. If you need to clarify points ask open questions like: Tell me.. what happened, Explain ... about the incident Describe ...where it was , what happened	Investigate. Ask leading questions e.g. why did they do that, was it 'name', did it hurt you?
Take it seriously Do not make promises to keep it to yourself	Try not to react as though unbelieving or shocked
Reassure. Confirm they are doing the right thing by telling you.	Tell them not to tell stories
Tell them you need to share the concern with the right people e.g. Parish Safeguarding Officer, police, social care	Promise to keep a secret or tell people who don't need to know.
Record what was said and the facts as accurately as possible as soon as possible	Try to just remember it
	Contact the person the allegation is about

#### Whether a child, young person or adult has shared a concern with you or you have seen or heard something of concern...

If the situation is urgent i.e. there is an imminent risk of harm: contact the police on 101 or 999 as appropriate or contact the Local Authority Children or Adults safeguarding Teams:

#### **Bristol Children's Safeguarding Team**

Telephone number -'First Response' Monday to Friday 0117 9036444

Telephone number - Out of hours/Weekends (See Website)

#### **Bristol Adult Safeguarding Team**

Telephone Number - Monday to Friday 0117 922 2700

Policy Date: June 2017  
Version Number: 1  
Due for review: June 2018

**Telephone number** - Out of hours/Weekends - answerphone

Once you have sought advice from police or the Local Authority and the situation is made safe, inform the Parish Safeguarding Officer as soon as possible of the concern and actions taken, provide a written record of this. If the concern is about the Parish Safeguarding Officer contact the Incumbent or Diocesan Safeguarding Adviser.

**If the situation is of concern but is not urgent:** Contact the Parish Safeguarding Officer to report the concern and provide a written record (if the concern is about the Parish Safeguarding Officer contact the Incumbent or Diocesan Safeguarding Adviser). They will decide with you whether to discuss with the child, their parents or carers or the adult and any carers and whether a referral to the Local Authority Children or Adults Safeguarding Team is needed or any other action.

**Note:** Anyone can report a concern directly to police or the Local Authority at anytime.

The Benefice hopes that all will follow this policy but where there is any concern that an issue has not been reported and should be or any reluctance to inform the church of an incident the Benefice wishes to make clear that the most important point is that those concerns are reported to the appropriate authority so that they can be acted upon where needed.

**If there is an allegation that a person in a position of trust (minister, PCC member, staff member or volunteer) has abused or neglected a child or adult or that such a person may present a risk to a child or adult:** The Diocese of Bristol 'Allegations Management Procedure' will be followed (copies of this procedure can be found on the Diocesan website and copies are held by the Parish Safeguarding Officers, Clergy and in the Parish Office). In brief this procedure requires that:

- The concern should be reported as above; report should reach police and Local Authority within 1 working day.
- The concern should not be made known to the person against whom the allegation is raised without agreement with police and or the Local Authority.
- Next steps will be decided in conjunction with police, Local Authority representatives (including Local Authority Designated Officer where there is a concern for the welfare of a child), the Diocesan Safeguarding Adviser and parish representatives (usually PSO, Incumbent and Churchwardens).

**If a person is identified who has a caution or conviction for abuse of children and or adults who may pose a risk to others:** (usually those with convictions for sexual or violent offences) the Diocese of Bristol guidance 'Ministering to those who may pose a risk' will be followed (Copies of this guidance can be found on the Diocesan website and copies are held by the Parish Safeguarding Officers, Clergy and in the Parish Office). In brief, this guidance advises that that Parish Safeguarding Officer and Diocesan Safeguarding Adviser are made aware and that the individual is informed that:

- To support their being part of the congregation as safely as possible, contact will be made with police, probation and other agencies connected with their case.

- The Diocesan Safeguarding Adviser and Church leaders will need to know of their circumstances.
- That a risk assessment will be completed
- And that a written agreement will be needed between the individual and the Church which agrees when the individual will or will not be involved in church services and activities, boundaries of behaviour and support offered.

## 6. Confidentiality and consent

**Confidentiality:** The Benefice accepts the principle that only those with a need to know should be made aware of safeguarding concerns or other confidential information. All staff, ministers and volunteers are expected to share confidential information appropriately and to ensure that written records and verbal information is shared responsibly and stored securely.

**Consent:** The Benefice accepts that all people have a right to make their own views and wishes known and that these wishes should be followed wherever possible.

**Children:** Where there is a concern that a child is experiencing or at risk of abuse or neglect they may ask those that know not to tell anyone. The Benefice accepts that we cannot do this; these concerns must be reported to the appropriate authorities to enable the child or young person to receive appropriate help and support. The Benefice asks all staff, ministers and volunteers to explain this to children in their care when appropriate. Where there is concern that a child is experiencing or is at risk of abuse or neglect the Benefice expects that parents and carers will be communicated with and will have their consent sought for information to be shared with the Local Authority or other agencies. This should happen except where there is concern that to do so would place a child at increased risk or where a parent or carer may be involved in the sexual abuse of the child. In those circumstances advice of the Local Authority or police should be sought before informing the parents or carers of the concern. Where the allegation is against an individual who may have access to other children or vulnerable adults the referral should be made without seeking consent from parents or carers- how they are made aware of the concerns will be decided alongside statutory agencies.

**Adults:** Adults have the right to make their own decisions about their lives. Consent should be sought from an adult before information is shared about them. However, where an adult withholds consent for a safeguarding concern to be shared with statutory authorities (police and local authority), this should be accepted except where there may be others at risk (e.g. if the abuse or neglect is happening in a care home or hospital or the abuser has access to other vulnerable adults or children) or where there is reason to doubt that the individual has capacity to make that decision or where there is imminent risk of serious harm. Advice should be sought from statutory services (Adult social care or police) or the Diocesan Safeguarding Adviser where there is any doubt as to whether a concern should be referred.

## 7. Record Keeping

Records of all safeguarding concerns will be kept by the Parish Safeguarding Officers. They will keep a record of the initial concern and all actions taken. The records will be securely held in a locked filing cabinet in the minister's vestry at St Paul's church or in a locked filing cabinet at Cotham Parish Church. All those involved with any safeguarding concern must ensure that they provide to the Safeguarding Officer any records related to that case for secure storage.

Records will be retained as per Church of England guidance 'Safeguarding Records: Joint Practice Guidance for the Church of England and the Methodist Church' 2015 (Available on the Diocese of Bristol website).

The Benefice does not have access to secure email systems. Therefore great care should be taken where email is used to ensure that confidential information is not open to being accessed by unauthorised individuals. Individual's confidential information should not be communicated via email (e.g. any information should not make the individual identifiable by name, address etc.).

Records must be maintained of staff and volunteer training and DBS checks. These will be maintained by the Parish Safeguarding Officers.

### Further information about Data Protection and Storage of Records

The Data Protection act 1998 (DPA) applies to the processing of any information which relates to a living individual who can be identified from that information alone or when taken together with other information held by the same person or body. Such information is termed 'personal data' in the DPA. Processing is widely defined and includes obtaining information, holding it (whether in paper or electronic form) and sharing it with others.

Consider the following with respect to personal information under DPA requirements:

Is it Lawful?	Is it relevant /adequate?	Is it Accurate/updated	Is it to be Retained? (it maybe time limited)	DPA Process applied must be	Protect information	Store securely
---------------	---------------------------	------------------------	---	-----------------------------	---------------------	----------------

Golden rules for information Sharing:

DPA is framework for sharing information	Be honest with family or others involved in safeguarding issues.	Seek advice if in doubt.	Share information as appropriate with consent/ without consent if necessary.	Above all consider safety of individuals.	Keep a record of any decisions made.	All info. must be necessary, proportionate, relevant, accurate, timely, and secure.
--	--	--------------------------	--	---	--------------------------------------	---

## Storage

Safeguarding records both paper and electronic must be stored securely so that only those with a need to access them can do so. They should be kept in a secure cabinet / area of the computer with access enabled by the Parish Safeguarding Officer and the incumbent only.

Information about what is being stored and how long it should be kept is available on the diocesan website.

Clearly record whether the individual the information is about is aware that the records are being stored. If they have not consented ensure the reason for this is valid.

## 8. Safer Recruitment and ongoing support and supervision

All recruitment of staff and volunteers will be undertaken in line with Church of England policy 'Safer Recruitment' 2016. See the Benefice Safer Recruitment Guidance for further information.

Recruitment of staff and volunteers will only be undertaken by those delegated such responsibility from PCC.

Recruitment of staff and volunteers will be undertaken according to agreed process.

All recruited staff and volunteers will be made known to PCC.

No one who has not been safely recruited will be permitted to work unsupervised with children, young people or adults who may be vulnerable.

In brief: All staff and volunteers will:

- ❖ Have all recruitment checks completed and approved prior to starting in role.
- ❖ All eligible staff and volunteers will have a repeat DBS disclosure every 5 years. Any lapsed DBS check will require the post holder to stand down until the check has been completed.
- ❖ The DBS provides a service called 'Updates'. Applicants may register for this service. It is free for volunteers but has an annual charge for paid staff. The Diocese of Bristol does not pay the annual fee for paid staff. PCC's may choose to accept 'Updates' so long as the service is used in line with the Church of England Safer Recruitment Policy 2015.
- ❖ Attend safeguarding training as required by the Church of England
- ❖ Attend any other training as decided by the PCC
- ❖ Have a named supervisor

## 10. Additional Related Policies

### a) Photograph, Video and Social Media Policy

A form is available which should be completed when groups wish to display photographs or use video footage of children and young people under the age of eighteen years old. No one should take photographs of children or young people without the consent of the child's parent(s) or carer and the consent of the child where they are old enough to give consent.

Where photographs are to be taken:

- Consent must be gained from parent(s) /carers in advance, using the agreed form. This will stipulate: who will take the photographs, for what purpose they may be used and how they will be stored and after what period they will be destroyed.

All photographs and videos should be stored securely on devices belonging to the PCC. No photograph or video should be left stored on personal photography or video equipment.

- No photograph will be taken, shared or used for any purpose which shows a child in a state of undress
- Children will not be named in publicity related photographs or video.
- Where an event may be photographed and is open to the public; signs will be displayed noting that photographs or video may be taken and inviting anyone not wishing to be in any photographs or video. To make this known to a named person. The photographer or video recorder will be named and wear ID.
- Only those delegated with that responsibility by the PCC may ask for parental consent and arrange the taking of photographs or video.

**Communications and Social Media:** It is the policy of the Benefice that no one employed on a paid or voluntary basis, serving as a PCC member or as a licenced minister will contact children or young people directly via social media, email, phone or text without the knowledge and consent of that child or young persons parent or carer.

Where such contact needs to be made (for example a text to advise of a change of time for an activity) the child's parent or carer will be asked for consent in advance and the parent or carer will be copied into that communication.

Very rarely contact may be made with a child or young person without the knowledge of the child's parents or carers (for example where there are serious safeguarding concerns for a child and it would increase the risk to the child to contact the parent).

In this case the person making contact with the child must agree in advance with the Parish Safeguarding Officer that this is appropriate, a second adult should be copied into all communications e.g. Parish Safeguarding Officer or Incumbent and must keep a record of all communications and provide these to the Parish Safeguarding Officer for the case record.

Where a group wishes to have a social media account to publicise or communicate regarding their group or activity the following will apply:

- ❖ The account shall not be a personal account belonging to any group member or leader; it will be a separate group account.
- ❖ More than one adult will be administrator for the account so that all content and messages can be seen by more than one adult.
- ❖ All users will be made aware that bullying, harassment or other anti social behaviour will not be tolerated. Information will be available to all users about how to raise a concern about the conduct of others and who with.
- ❖ Steps must be taken to prevent people outside the group having access to the names or personal details of anyone who is part of the group e.g. if a group Facebook page is used, the account settings should prevent group members being identified and any message sent to anyone other than the administrator.
- ❖ All those in a leadership role will ensure that their language is professional and appropriate e.g. not adding 'xx' to messages, not using nicknames that are not what the leader is called by everyone else, avoiding addressing others by endearments which would be ambiguous, such as 'love'.

## **b) Hire of Church Premises for none Church events and activities (whether a fee is chargeable or not)**

### **Statement for Hirers**

#### **Safeguarding Policy for one-off bookings:**

The PCC will provide the hirer or responsible person with a copy of the parish safeguarding policy and ask him/her to sign this statement which confirms that he/she has seen it and agrees to abide by it. For one-off bookings such as parties or wedding receptions the PCC does not need or expect the hirers to obtain Disclosure and Barring Service Certificates for Leaders.

#### **Safeguarding Policy for regular bookings:**

Organisations regularly working with children and or adults who may be vulnerable should have their own policies and procedures. The PCC will ensure that a copy of their procedure is obtained before agreeing the booking. The responsibility for implementing the hirer's safeguarding policy rests with the hiring organisation and not the PCC, however the PCC needs to take reasonable steps to ensure that this is being done.

The PCC will ensure that the hirer complies with the guidelines for running activities for children and/or vulnerable adults (for example: ensuring sufficient safely recruited leaders are on site).

Access to the area being hired will be available to Church Wardens, the Vicar, the Halls Administrator, volunteer opening-up person and maintenance persons. Hirers will need to ensure that, where there are shared facilities with other groups, children are sufficiently well supervised to reduce the risk of harm occurring.

Enquiries will be made as to whether the hirer intends to care for children under 8 years of age for 2 hours or more without their parents or carers present. If so, they may need to register with Ofsted. No booking with such a group will be formalised until the administrator has seen evidence of its Ofsted registration, or confirmation that registration is not required.

#### **Safeguarding Conditions for the Hire of Church Premises**

This Benefice Policy for Safeguarding Children and Vulnerable Adults can be viewed on the website of each parish, and is available from the Benefice Administrator, Sue Hawkins.

Your booking agreement is conditional upon you complying with this policy, or if you have one, your own Safeguarding Policy providing it is equivalent. You are required to ensure that children and vulnerable adults are protected at all times, by taking all reasonable steps to prevent injury, illness, loss or damage occurring, and that you carry full liability insurance for this.

In particular this means that:

- You will comply with the parish policy and procedures for Safeguarding children and vulnerable adults, or your own equivalent policy.
- You will provide the Church with a copy of your organisation's Safeguarding Policy and Procedures if you have one.
- You will recruit safely all current paid and voluntary workers who work with children and vulnerable adults and where enabled by law to do so obtain satisfactory disclosures from the Disclosure and Barring Service (DBS)
- You will keep an up to date list of the names of all paid and voluntary workers who work with children and vulnerable adults.

Policy Date: June 2017  
Version Number: 1  
Due for review: June 2018

- You will always have at least two leaders in any group of children and young people, no matter how small a group.
  - You will adhere to the following guidelines for the ratio of adults to children/young people as recommended by OFSTED
    - 0-2 years 1 person for every 3 children
    - 2-3 years 1 person for every 4 children
    - 3-8years 1 person for every 8 children
    - Over 8 years 1 person for the first 8 children and then one extra person for every 12 children
- NB. The above is guidance, but there should be a minimum of two adults present at any time.

No person under 18 may be left in sole charge of any children of any age. Young people who assist with caring for other children/young people must complete a Supervised Worker Registration Form. They must be supervised at all times by an adult.

Gender: Leaders of both sexes should, if possible, should be present at every activity.

- You will ensure no person under the age of 18 years will be left in charge of any children of any age
- You will ensure no child or group of children or young people should be left unattended at any time
- You will ensure a register of children or vulnerable adults attending the activity will be kept. This will include their name, address, date of birth and next of kin.
- You will complete details as soon as possible of any accident or injury during your occupation of the premises which did or could give rise to injury
- You will immediately (within 24 hours) inform the Parish Safeguarding Officer of
  - (a) Any incidents or allegations of abuse or causes of concern relating to members or leaders of your organisation
  - (b) Any known offenders against children or vulnerable adults seeking to join your membership, and manage such allegations or agreements with offenders in co-operation with statutory agencies, and with the church.

**Insurance:** the church holds insurance in respect of its own property, church activities and public liability. This insurance does not protect you, the hirer of the hall, and we therefore require that the hirer arranges insurance in respect of liability arising from death, injury or damage to third parties and/or their property. We reserve the right to require you to produce evidence of your insurance to us at any time.

Organisations and individual users meeting at premises of either church in the Benefice will be expected to adhere to this safeguarding policy or where they work regularly with children, young people or adults who may be vulnerable, to have their own safeguarding policy.

The Benefice is responsible for overseeing users and ensuring that that agreed hire process and forms are in use. This will include obtaining a copy of the hirers safeguarding policy where relevant and providing a copy of this policy.

*This Statement for Hirers is available as a separate document as an appendix to this policy.*

## **Insurance (Church activities)**

“Policies of insurance require the insured to take all reasonable steps to prevent injury, loss or damage occurring. Failure to take such precautions may prejudice the insurance arrangements in force. A duty therefore exists upon the insured to research and adopt best practice based upon current and ongoing guidelines.” (A statement from the Ecclesiastical Insurance Group)

Some points to note:

- Public liability Insurance should be for a minimum of £2 million in respect of any one claim
- Workers who use their own cars for transporting children, young people and vulnerable adults should check their own insurance covers this. This means social, domestic, pleasure and business for a car. They should never carry more people than their vehicle may legally carry.
- A copy of the insurance policy should be displayed in the church and in the hall.
- At present we are only insured for normal activities on church premises.
- Other activities, including day-trips and residential weekends, and particularly adventurous activities will require separate insurance.
- Insurance only covers activities when the PCC has:
  1. Agreed to the activity taking place
  2. Accepted responsibility for that activity
  3. Recorded it in its minutes.

## Equality and Diversity

Our equality and diversity policy is expressed in the mission statements of our parishes:

St. Paul's aims to be an "Open Church" in our Christian faith and practice:

- Open to questions of faith and doubt, lifestyle, justice and peace.
- Open to people of all backgrounds.
- Open above all to the ultimate mystery we call God and to the life and teaching of Jesus. Our congregation includes: old, young, single and married, gay and straight, waged and unwaged, students, people from a range of differing church , cultural and ethnic backgrounds.

At Cotham Church we aspire to cherish all, regardless of marital and social status, sexual orientation or level of Church commitment.

All forms are available from the Parish Safeguarding Officer

## Safe Recruitment

Our Benefice is committed to a safe recruitment process. This will be conducted in line with the Diocese of Bristol Safer Recruitment Guidelines (Diocese of Bristol 2014) which are based on the current Church of England Policy (Safer Recruitment Policy for the Church of England and Methodist Church of Britain, 2013). The process adopted by the PCC will be used when recruiting any paid or voluntary staff and will include use of the Disclosure and Barring Service when appropriate.

The recruitment Process will involve

- Disclosure and Barring where necessary, and handling of Disclosure information

### **Some Additional Information:**

**Child Sexual Exploitation:** All children and young people can be at risk of sexual exploitation. This includes boys and girls of any age. This is a form of sexual abuse. Whilst young people can give consent to sexual acts from the age of 16 (so long as they have the mental capacity to do so) they continue to be a risk of sexual exploitation beyond their 16<sup>th</sup> birthday. **Any concern that a child or young person may be at risk of or experiencing sexual exploitation must be reported immediately to Children's Social Care or the police.** Sexual exploitation of children and young people under 18 involves exploitative situations, contexts and relationships where young people (or a third person or persons) receive 'something' (e.g. food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money) as a result of them performing, and/or another or others performing on them, sexual activities. Child sexual exploitation can occur through the use of technology without the child's immediate recognition; for example being persuaded to post sexual images on the Internet/mobile phones without immediate payment or gain. In all cases, those exploiting the child/young person have power over them by virtue of their age, gender, intellect, physical strength and/or economic or other resources. Violence, coercion and intimidation are common, involvement in exploitative relationships being characterised in the main by the child or young person's limited availability of choice resulting from their social/economic and/or emotional vulnerability.

**Female Genital Mutilation:** Female genital mutilation (sometimes referred to as female circumcision) refers to procedures that intentionally alter or cause injury to the female genital organs for non-medical reasons. The practice is illegal in the UK. It has been estimated that over 20,000 girls under the age of 15 are at risk of female genital mutilation (FGM) in the UK each year, and that 66,000 women in the UK are living with the consequences of FGM. However, the true extent is unknown, due to the "hidden" nature of the crime. The girls may be taken to their countries of origin so that FGM can be carried out during the summer holidays, allowing them time to "heal" before they return to school. There are also worries that some girls may have FGM performed in the UK. Any concern that a child or adult who may be vulnerable may be at risk of FGM must be reported immediately to the relevant Local Authority or directly to police.

**Terrorism and Extremism:** Any person may become drawn into extremism or sympathy with such views and into terrorism. This will often happen through contacts made via the internet but a culture that supports this can develop in any community, group, school or faith organisation. The Counter-Terrorism and Security Act 2015 places duties on certain bodies, not including Faith Organisations (excepting where such an organisation runs a school or other relevant premises) to have due regard to the need to prevent people from being drawn into terrorism. Everybody should be alert to any indication that a person or group may be developing or has developed an interest or ideology that may include harm to others. **Any concern related to this whether for a child or adult must be reported to the police without delay.**

## Statement for Hirers

### **Safeguarding Policy for one-off bookings:**

The PCC will provide the hirer or responsible person with a copy of the parish safeguarding policy and ask him/her to sign this statement which confirms that he/she has seen it and agrees to abide by it. For one-off bookings such as parties or wedding receptions the PCC does not need or expect the hirers to obtain Disclosure and Barring Service Certificates for Leaders.

### **Safeguarding Policy for regular bookings:**

Organisations regularly working with children and or adults who may be vulnerable should have their own policies and procedures. The PCC will ensure that a copy of their procedure is obtained before agreeing the booking. The responsibility for implementing the hirer's safeguarding policy rests with the hiring organisation and not the PCC, however the PCC needs to take reasonable steps to ensure that this is being done.

The PCC will ensure that the hirer complies with the guidelines for running activities for children and/or vulnerable adults (for example: ensuring sufficient safely recruited leaders are on site).

Access to the area being hired will be available to Church Wardens, the Vicar, the Halls Administrator, volunteer opening-up person and maintenance persons. Hirers will need to ensure that, where there are shared facilities with other groups, children are sufficiently well supervised to reduce the risk of harm occurring.

Enquiries will be made as to whether the hirer intends to care for children under 8 years of age for 2 hours or more without their parents or carers present. If so, they may need to register with Ofsted. No booking with such a group will be formalised until the administrator has seen evidence of its Ofsted registration, or confirmation that registration is not required.

### **Safeguarding Conditions for the Hire of Church Premises**

This Benefice Policy for Safeguarding Children and Vulnerable Adults can be viewed on the website of each parish, and is available from the Benefice Administrator, Sue Hawkins.

Your booking agreement is conditional upon you complying with this policy, or if you have one, your own Safeguarding Policy providing it is equivalent. You are required to ensure that children and vulnerable adults are protected at all times, by taking all reasonable steps to prevent injury, illness, loss or damage occurring, and that you carry full liability insurance for this.

In particular this means that:

- You will comply with the parish policy and procedures for Safeguarding children and vulnerable adults, or your own equivalent policy.
- You will provide the Church with a copy of your organisation's Safeguarding Policy and Procedures if you have one.
- You will recruit safely all current paid and voluntary workers who work with children and vulnerable adults and where enabled by law to do so obtain satisfactory disclosures from the Disclosure and Barring Service (DBS)
- You will keep an up to date list of the names of all paid and voluntary workers who work with children and vulnerable adults.

Policy Date: June 2017  
Version Number: 1  
Due for review: June 2018

- You will always have at least two leaders in any group of children and young people, no matter how small a group.
  - You will adhere to the following guidelines for the ratio of adults to children/young people as recommended by OFSTED
    - 0-2 years 1 person for every 3 children
    - 2-3 years 1 person for every 4 children
    - 3-8years 1 person for every 8 children
    - Over 8 years 1 person for the first 8 children and then one extra person for every 12 children
- NB. The above is guidance, but there should be a minimum of two adults present at any time.

No person under 18 may be left in sole charge of any children of any age. Young people who assist with caring for other children/young people must complete a Supervised Worker Registration Form. They must be supervised at all times by an adult.

Gender: Leaders of both sexes should, if possible, should be present at every activity.

- You will ensure no person under the age of 18 years will be left in charge of any children of any age
- You will ensure no child or group of children or young people should be left unattended at any time
- You will ensure a register of children or vulnerable adults attending the activity will be kept. This will include their name, address, date of birth and next of kin.
- You will complete details as soon as possible of any accident or injury during your occupation of the premises which did or could give rise to injury
- You will immediately (within 24 hours) inform the Parish Safeguarding Officer of
  - (c) Any incidents or allegations of abuse or causes of concern relating to members or leaders of your organisation
  - (d) Any known offenders against children or vulnerable adults seeking to join your membership, and manage such allegations or agreements with offenders in co-operation with statutory agencies, and with the church.

**Insurance:** the church holds insurance in respect of its own property, church activities and public liability. This insurance does not protect you, the hirer of the hall, and we therefore require that the hirer arranges insurance in respect of liability arising from death, injury or damage to third parties and/or their property. We reserve the right to require you to produce evidence of your insurance to us at any time.

### Declaration

I have received and agree to abide by the Parish of ..... Safeguarding of Children and Vulnerable adults policy. I understand that the booking agreement for the hire of Church premises is conditional on my organisation keeping to these procedures and that the agreement can be immediately terminated if we fail to comply with them.
